Press Release

Defend Lytham Ask The Questions

Defend Lytham has sent a list of questions relating to shale gas extraction to local MP Mark Menzies and will publish his responses on our web site.

The extensive list of questions can be found at

John Hobson from Defend Lytham commented :

“ Shale gas operations in the UK are being forced through at breakneck speed, with little concern for regulation, and it is time we started to see exactly where our local and national politicians stand on this issue. We hope that Mr Menzies responses will give us all the reassurance that we need.”
